TWICE AS NICE

Here's news you'll *totes* love. Day-to-night versatility, like a supple leather cross-body that converts to a clutch, was paramount for **Ashley and Mary-Kate Olsen** when designing the first, 22-piece bag collection for Elizabeth and James. "We always think of how often you can use something," Ashley says. "People want to invest in things that work for more than just specific occasions."

Knowing Me, Knowing You

The siblings dish on each other's purse personalities.

What does your sister always need in her bag but never have?

Ashley She's always stealing my Biologique Recherche Biokiss lip balm.

Mary-Kate Her passport. But I always have mine.

Which item from this line do you think is most her?

Ashley The leather satchel. It has a magnet clasp that makes it easy to get into. She doesn't like to fuss with things.

Mary-Kate The sling. She loves backpacks and being hands-free.

How would you describe her purse collection?

Ashley Eclectic. She has a lot of special finds from around the world.

Mary-Kate Extensive. She has a very good eye.

Which purse would you want to snag from your sister?

Ashley One of her beaded Victorian evening bags.

Mary-Kate I have Ashley's black Hermès Kelly bag in my closet right now!
